Traveling with Pets

Many people in Japan keep dogs or cats as pets. However, it is often difficult for them to go on trips with their pets. Now, some hotels have started allowing guests to stay with their pets. Pet owners choose such hotels, and by doing so they can enjoy traveling with their pets.

Your story should begin with this sentence: **One day, Mr. and Mrs. Ono were talking about their summer vacation.**

【Questions】

No. 1 According to the passage, how can pet owners enjoy traveling with their pets?
— By choosing hotels that allow guests to stay with their pets.

No. 2 Now, please look at the picture and describe the situation. You have 20 seconds to prepare. Your story should begin with the sentence on the card.
<20 seconds> Please begin.
— One day, Mr. and Mrs. Ono were talking about their summer vacation. Mr. Ono said, "Let's take our dog on our trip." A week later, Mr. Ono was checking in at a hotel. Mrs. Ono said that she wanted to take their dog to the beach. The next morning, it was raining hard. Mrs. Ono was disappointed because they could not go to the beach.

Now, Mr. / Ms. —, please turn over the card and put it down.

No. 3 Do you think more people will keep pets in the future?
Yes. → Why?
— Pets can make people feel happy and relaxed. Also, more places such as hotels and cafés are welcoming pets.
No. → Why not?
— Taking care of pets costs a lot of money. Also, many people are too busy to take care of pets.

No. 4 These days, many young people travel to other countries. Do you think it is good for young people to travel abroad?
Yes. → Why?
— They can learn about different cultures. Also, it is a good chance for them to use English.
No. → Why not?
— Traveling abroad is expensive for young people. They can enjoy many interesting places in Japan, too.

Used Clothes

Many people throw away clothes that they do not wear anymore. This creates a lot of waste. Now, some clothing stores have started collecting used clothes from their customers. The stores send these clothes to people who need them, and by doing so they can help reduce waste.

Your story should begin with this sentence: **One day, Mrs. Kimura and her son, Ken, were cleaning his room.**

【Questions】

No. 1 According to the passage, how can some clothing stores help reduce waste?
— By sending the used clothes they collect from customers to people who need them.

No. 2 Now, please look at the picture and describe the situation. You have 20 seconds to prepare. Your story should begin with the sentence on the card.
<20 seconds> Please begin.
— One day, Mrs. Kimura and her son, Ken, were cleaning his room. Mrs. Kimura said, "These clothes are too small for you." The next day, Mrs. Kimura was putting the clothes into a box at a clothing store. Ken said that he wanted a new jacket. A week later, Ken was looking for his favorite T-shirt. He realized that his mother had put it into the box at the store.

Now, Mr. / Ms. —, please turn over the card and put it down.

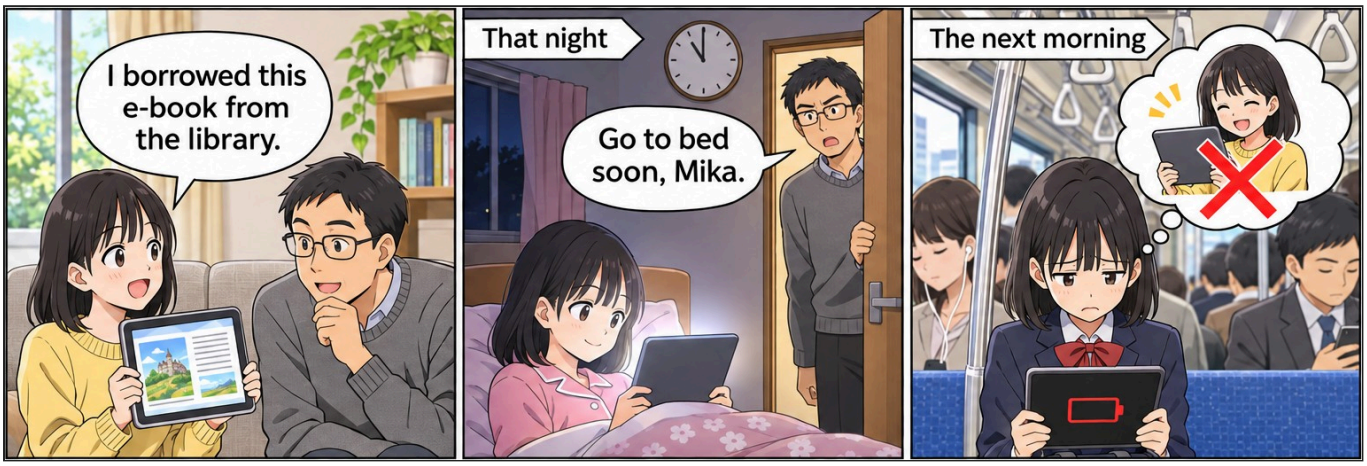

No. 3 Do you think more people will buy used clothes in the future?
Yes. → Why?
— Used clothes are much cheaper than new ones. Also, more people want to protect the environment.
No. → Why not?
— Many people prefer to wear new clothes. They do not like wearing clothes that other people have worn.

No. 4 Many students in Japan wear school uniforms. Do you think students should wear school uniforms?
Yes. → Why?
— Students do not need to think about what to wear every morning. Also, uniforms help students feel like a team.
No. → Why not?
— Students should be able to choose their own clothes. Also, school uniforms are expensive for families.

E-books

Electronic books, or e-books, are becoming popular. People can read them on their smartphones or tablets. Now, some libraries have started lending e-books on the Internet. People use this service, and by doing so they can borrow books without going to the library.

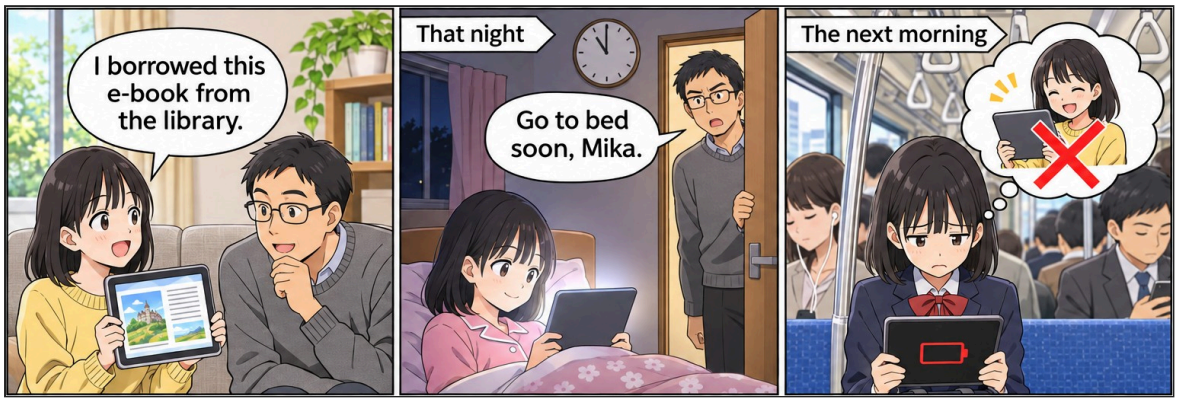

Your story should begin with this sentence: **One day, Mika was talking with her father in the living room.**

【Questions】

No. 1 According to the passage, how can people borrow books without going to the library?

— By borrowing e-books from libraries on the Internet.

No. 2 Now, please look at the picture and describe the situation. You have 20 seconds to prepare. Your story should begin with the sentence on the card.

<20 seconds> Please begin.

— One day, Mika was talking with her father in the living room. Mika said, "I borrowed this e-book from the library." That night, Mika was reading the e-book in bed. Her father told her to go to bed soon. The next morning, the battery of Mika's tablet was dead on the train. She was sad because she could not read her e-book.

Now, Mr. / Ms. —, please turn over the card and put it down.

No. 3 Do you think people will read more e-books than paper books in the future?

Yes. → Why?

— People can carry many e-books on one smartphone. Also, e-books are often cheaper than paper books.

No. → Why not?

— Many people like to hold paper books in their hands. Reading on a screen for a long time makes their eyes tired.

No. 4 Many people enjoy watching movies at home on the Internet. Do you think movie theaters will become less popular in the future?

Yes. → Why?

— Watching movies at home is cheaper and more relaxing. People can also stop the movie whenever they like.

No. → Why not?

— Movie theaters have big screens and great sound. People can enjoy movies more there with their friends.

Camping

Camping has become popular among families in Japan. However, camping equipment such as tents can be expensive. Now, some campsites have started renting tents and cooking tools to visitors. Many families use these rental services, and by doing so they can enjoy camping without buying expensive equipment.

Your story should begin with this sentence: **One day, Mr. and Mrs. Hayashi went to a campsite with their son.**

— By making simple games and robots in class.

No. 2 Now, please look at the picture and describe the situation. You have 20 seconds to prepare. Your story should begin with the sentence on the card.
<20 seconds> Please begin.
— One day, Takuya was showing a robot to his parents. Takuya said, "I made this robot at school." The next Sunday, Takuya was making a program on his computer. His father said that they should enter a robot contest. A month later, Takuya's robot fell over at the contest. Takuya was disappointed because he could not win a prize.

Now, Mr. / Ms. —, please turn over the card and put it down.

No. 3 Do you think children should start using computers at a young age?
Yes. → Why?
— Computers are used in many jobs today. Children can learn useful skills early.
No. → Why not?
— Using computers for a long time is bad for children's eyes. They should play outside more.

No. 4 Today, many stores use self-checkout machines. Do you think more stores will use machines instead of workers in the future?
Yes. → Why?
— Many stores do not have enough workers. Machines can work all day without getting tired.
No. → Why not?
— Some customers, especially elderly people, find machines difficult to use. They feel better when a store worker helps them.
